National Terrorism Advisory System Current Alerts

SITUATION SUMMARY

Southern California

The Southern Region Emergency Operations Center has activated to Level II as of 0600 hours in response to San Bernardino County activation for the Etiwanda fire and the City of Los Angeles and County of Los Angeles activation for May Day activities.

Etiwanda Fire – CA-BDF-006646, San Bernardino County

Per ICS-209 dated 5/1/2014 at 0800 hours

SITUATION: Per CALFIRE and Cal OES Duty Officers, the Etiwanda Fire, a Federal Responsibility Area (FRA) Fire is burning in Day Canyon in the San Bernardino National Forest near Rancho Cucamonga, San Bernardino County.

Fire Information

- Size: 1000 acres, 10% contained
- Structures Threatened: No structures lost as of 0800 hours 5/1/2014
- Total Personnel Committed: 706

Evacuations and Shelters

- All mandatory evacuations have been lifted. A primary shelter has been established at Rancho Cucamonga Central Park and is ADA compliant.
- Primary - ARC shelter is still open at Central Park (11200 Baseline Road, Rancho Cucamonga) there are no Access Functional Needs (AFN) issues.
- The center is ADA compliant. Population according to the ARC rep at the shelter is zero.
- Small animals can be taken directly to the Animal Center in Rancho Cucamonga

SITUATION SUMMARY (Cont.)

Los Angeles County - May Day Protest:

Today there will be three permitted demonstrations occurring in the downtown area with the first assembling at 10:00AM. There are a number of unpermitted events and or protests scheduled throughout the day.

- Full street closures will begin as early as 0900 hours and will impact multiple streets, and may cause major bus reroutes or possible cancellations, and huge impacts to all rail transportation.
- There will also be a high number of pedestrian traffic with the estimated total number of participants at approximately 17,400.

Activations

- Los Angeles County OEM activated at a Level 1
- Los Angeles City Level 1

Proclamation City of San Jacinto, Los Angeles County:

A Proclamation from San Jacinto City, Riverside County has been received due to a severe wind storm requesting that the Emergency Director be designated as the authorized representative for the purpose of receipt, processing and coordination of all inquiries necessary to obtain available state and federal assistance.

Statewide

May Day Events

Cal OES Law Enforcement Branch personnel are coordinating with law enforcement agencies regarding potential May Day (May 1) protests in both northern and southern California.

SITUATION SUMMARY (Cont.)

Cal EOC Incident – 2014 Drought

- SOC / Inland REOC remains activated in support of 2014 Drought

Seasonal Readiness – Phase 1 of the State Contingency Plan for Excessive Heat Emergency

- With the approach of summer, though the state remains in the Phase I Alert condition of Seasonal Readiness, as outlined in the State Contingency Plan for Excessive Heat Emergency. State Agencies/Departments are advised to review existing plans, procedures and resources, to facilitate preparedness for and response to possible excessive heat events, and closely monitor the situation and inform Cal OES of any heat related issues or concerns.
- The California State Warning Center continues to monitor the weather statewide for heat or fire weather of concern and state power grid issues, and Cal OES Regions will remain in contact with Operational Areas (Counties) to monitor heat events which may impact local communities, facilities or agencies.

***** Contingency Plan For Excessive Heat Emergencies *** [Attached](#)**

SITUATION SUMMARY (Cont.)

Major Construction U.S. Highway 50, Sacramento, Sacramento County

- Major construction began April 22, 2014 on a section of U.S. Highway 50 in Sacramento between 18th and 24th Streets. The Caltrans Traffic Management Center (TMC) reports no issues to date with the project or the traffic in the area.
- Please see “Fix 50” slides for additional information, including [alternate routes](#).

Significant Weather Watches / Warnings

- High Wind Warning in effect until 1500 this afternoon for areas in Los Angeles and Ventura Counties
- High Wind Warning in effect until 1700 this afternoon for areas in Orange, Riverside, San Bernardino, San Diego Counties
- Red Flag Warning in effect until 2000 this evening for areas in Orange, Riverside, San Bernardino, San Diego Counties
- Red Flag Warning in effect from 0800 to 2000 hours today for areas in Kern County

SITUATION SUMMARY (Cont.)

Fix50 Project Update: Thursday, May 1

It was a productive day on the Fix50 project. Here are some updates:

Progress over the last 24 hours:

- Bridge deck concrete water cure completed
- Removal of curing covers
- Inner barrier rail concrete completed
- 75% grinding on new deck completed
- 10% grooving done

Over the next 24 hours, crews will:

- Complete grinding, grooving and striping of new deck
- Sign removal
- Sign base removal
- Begin lane and ramp connector closures to switch to Phase 2

In the coming week:

- Approach slabs and conforms excavation
- Drilling and grinding pavement on outer eastbound lanes and shoulder
- Dowel bars and rebar install
- Sign install

WEATHER

Week Ahead Weather 05/01 – 05/07

Thursday

- Strong gusty offshore winds, extreme warm temperatures, and hazardous fire weather conditions expected
- Additional impacts include possible downed trees and power lines

Saturday-Sunday

- Cooler weather with a chance of showers northern California
- No significant hazards expected

Monday-Wednesday

- No significant hazards expected

Road Closures

- All road closures have been lifted

Proclamations

- April 30 - Rancho Cucamonga proclaimed a local emergency - requesting a Gubernatorial, CDAA and Presidential Disaster Declaration.
- April 30 - San Bernardino County OA proclaimed a local emergency - requesting a Gubernatorial, CDAA and Presidential Disaster Declaration.

Activations

- Southern Region Emergency Operations Center (SREOC) has activated at Level I in support of San Bernardino County. Will resume Level II activation on 5/1 at 0600 hours.
- San Bernardino County has activated their Emergency Operations Center (EOC) at Level I in support of Rancho Cucamonga. The EOC will be activating with an Operational Period of 0600-1800 hours.
- The City of Rancho Cucamonga has activated their EOC at Level III.
- No requests for state assistance have been made to the REOC.

California - South Area 7 Day Significant Fire Potential

Fuel Dryness

-  Moist - Little or no risk for large fires.
-  Dry - Low risk of large fires in the absence of a "High Risk" event.
-  Very dry - Low/Moderate risk of large fires in the absence of a "High Risk" event.
-  Data Unavailable.

High Risk Events

-  Windy and Dry

Predictive Service Area	Wed Apr 30	Thu May 1	Fri May 2	Sat May 3	Sun May 4	Mon May 5	Tue May 6	Wed May 7

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

“Fix 50” Information

Major Construction U.S. Highway 50, Sacramento, Sacramento County

- Major construction is scheduled on a section of U.S. Highway 50 in Sacramento between 18th and 24th Streets.

2014 Project Dates

Roadway Construction Timing:

Eastbound Highway 50: April 22 – May 21

Phase 1: April 22 - May 1

- During Eastbound, Phase 1 (April 22-May 1), the 11th St. on-ramp will be closed.
- At least 3 lanes will be open
- Westbound traffic will be fully open as normal with no impact.

Phase 2: May 2 - May 21

- During Eastbound, Phase 2 (May 2 – 21), the following ramps will be closed: - 16th Street On-Ramp - Connector ramp from eastbound Highway 50 to southbound Highway 99 - Connector ramp from eastbound Highway 50 to eastbound Business 80
- At least 3 lanes will be open
- Westbound traffic will be fully open as normal with no impact.

[**Sacramento City Information Page**](#)

[**Fix 50**](#)

“Fix 50” Information (Cont.)

Major Construction U.S. Highway 50, Sacramento, Sacramento County

On-Ramp and Connector Closures: There are additional traffic restrictions during Eastbound Phase 2 due to additional ramp closures. The following ramps and connectors will be closed throughout Phase 2:

Eastbound Highway 50 On-Ramp closures:

- 11th Street On-Ramp
- 16th Street On-Ramp

Eastbound Highway 50 Connectors to:

- Southbound Highway 99
- Eastbound Business 80 (Capital City Freeway)

Hornet Drive Detour: The suggested detour for motorists and commercial vehicles looking to access southbound Highway 99 or eastbound Business 80 from eastbound Highway 50 is to take Eastbound Highway 50 to Exit 9 (marked Howe Ave. / Power Inn Rd.) Stay in the right lane to use the California State University loop exit, which is before Howe/Power Inn. This loop will take drivers onto Hornet Drive, where they can then turn left onto the westbound U.S. Highway 50. Drivers can then proceed on Highway 50 to either Highway 99 or Business 80. Detour signs will direct drivers through the detour. Motorists should allow an extra 10 minutes to take the detour in addition to congestion delays going through the Fix50 work zone.

“Fix 50” Information (Cont.)

Major Construction U.S. Highway 50, Sacramento, Sacramento County

- Drivers going to the Sacramento Republic FC's soccer games on May 3 and 17 from eastbound Highway 50 will also need to allow extra time for the detour as well as for traffic congestion from the game.

Westbound Highway 50: May 27 – June 25

Phase 1: May 27 - Jun 10

- At least 3 lanes will be open
- Eastbound traffic will be fully open as normal with no impact

Phase 2: June 11 - June 25

- During Westbound, Phase 2 (June 11-June 25) the following ramps will be closed: - 16th Street Off-Ramp - Connector ramp from westbound Business 80 to westbound Highway 50
- At least 3 lanes will be open
- Eastbound traffic will be fully open as normal with no impact

“Fix 50” Information (Cont.)

Major Construction U.S. Highway 50, Sacramento, Sacramento County

Alternate Routes:

During work in the EASTBOUND direction (April 22 – May 21):

If traveling from Elk Grove/Laguna to Rancho Cordova/Folsom:

- Use Freeway-99 North to US-50 East
- Do **not** use I-5 North to US-50 East

If traveling from Davis to Downtown Sacramento:

- Use I-80 to I-5 South, to Richards Blvd or “J” Street off ramps
- Do **not** take I-80 to US-50 East

If traveling from Natomas/Davis to Rancho Cordova/Folsom:

- Use I-80 East to Watt Ave exit-South to Business-80 on-ramp to US-50 East.
- Do **not** use I-5 to US-50 East.

If traveling through the project area during Phase 2 (Closed connector ramps to Business-80 and Freeway-99):

- Use Hornet Drive (Howe/Power Inn exit) to turn around onto US-50 West

[Back to Front Page](#)

“Fix 50” Information (Cont.)

Major Construction U.S. Highway 50, Sacramento, Sacramento County

Alternate Routes: (Cont.)

During work in the WESTBOUND direction (May 27 – June 25):

If traveling from Rancho Cordova/Folsom to Downtown Sacramento:

- Use US-50 West to Business-80 North to “N” or “H” Street off-ramps
- Do not stay on US-50 West after Business-80 interchange

If traveling from Elk Grove/Galt to Downtown Sacramento:

- Use I-5 North to “J” Street off ramp
- Do not take Freeway-99 North to US-50 Westbound

If traveling from Rancho Cordova/Folsom to Natomas/Davis:

- Use US-50 West to Business-80 North to Watt Ave North, to I-80 West.
- Do not use US-50 West to Davis or US-50 West to I-5 North to Natomas.

If traveling through the project area during Phase 2 (Closed connector ramps from Business-80 to US-50 West):

- Use Hornet Drive (Howe/Power Inn exit) to turn around onto US-50 West

***Motorists traveling to the Lake Tahoe area can avoid the project area congestion by taking I-80 E

CAL OES DROUGHT ACTIVATIONS

Cal EOC Incident – 2014 Drought

- The SOC is activated at Level 2 in support of the Drought State of Emergency from 0800-1700 hours daily.
- The Inland REOC is activated at Level 2 from 0800-1700 Monday through Friday or as needed.
- The Southern REOC is activated at Level 1.
- The Santa Barbara County OA EOC is activated at Level 2 to be handled by the duty officer for the purpose of monitoring activities and gaining situational awareness. The operational period is 0800-1700 hours.

Cal EOC Incident – 2014 Drought

Situational Summary

On January 17, 2014 Governor Edmund G. Brown proclaimed a State of Emergency and directed state officials to take all necessary actions to prepare for drought conditions. The State Operation Center (SOC) is activated to implement objectives in support of the Governor's priorities. The lack of winter rain and snowfall has resulted in extremely dry conditions in many parts of the State. Reservoir levels are down significantly from where they should be on average for this time of year. If conditions continue without substantial rainfall, severe impacts to municipal water supplies, agriculture (plants and livestock) and firefighting capabilities are likely in store for the State over the next few months. Negative economic impacts will also result.

On April 25, 2014 Governor Brown released an Executive Order on Friday enabling several urgent actions to be taken as the drought persists into the state's traditional dry season.

Near-term Outlook for Precipitation: Warmer weather will occur across the state this week with no expected precipitation.

** It is possible that last week's storms will be the last storms of the state's traditional rainy season. As this rainy season comes to an end, it is highly unlikely that precipitation totals will increase significantly over the coming months. This winter's below average rain and snowfall worsens conditions in this third straight dry year.**

Situational Summary (Cont.)

Information as of 4/28/14

- The Taskforce continues to meet regularly to take actions that conserve water and coordinate state response to the drought.
- The most recent snowpack survey, conducted on April 1, recorded California snowpack at 32% of normal. A more recent update using automated devices shows snowpack at 21% of normal as of April 27.
- DWR has announced that water essential for health and safety will be delivered through the state water project in spite of the zero allocation policy. Deliveries will be boosted if storms produce enough rain and snow to increase reservoir storage and the snow pack.
- Cal OES continues to gather drought-related costs from state agencies and local governments.

CAL OES MISSIONS

New Cal OES Missions

- **2014-LAW-2850** Mariposa County Sheriff's Office is requesting ground search resources to locate a Missing Person (MP). The resources are being requested for a search to begin on 5/1/14 at 0700 hours. Incident Command Post has been established. Cal OES Law Duty Officer is coordinating resources.
- **2014-LAW-2846** International Emergency Rescue Coordination Center (IERCC) advised of a Personal Locator Beacon (PLB) sounding in San Bernardino County. San Bernardino County Sheriff's Office has been contacted.

Ongoing Cal OES Missions

- **2014-LAW-2843** Plumas County Sheriffs Office (PCSO) is requesting Search and Rescue resources in support of a Humans Remains search Southwest of Lake Almanor. County SO will be providing 2-3 Humans Remains Detection (HRD) K9s for search efforts currently being planned for this coming weekend, 5/3/14.
- **2014-FIRE-2823** On 04/27/14 at 2203 hours, the Warning Center received FEMA US&R Activation Orders for California US&R Task Force Members from the White Incident Support Team (IST) in response to the Arkansas Tornado Incident. In addition, amended orders were received at 2323 hours activating an additional two personnel.
- On 04/30/2014 at 0635 hours, the Warning Center received FEMA US&R Demobilization Orders 2014-0027 for the nine US&R Task Force Members from the White Incident Support Team (IST) deployed in response to the Arkansas Tornado Incident.

CAL OES MISSIONS (Cont.)

Ongoing Cal OES Missions

- **2014-SOC-2111** Mission is to test the Cascadia Subduction Zone (CSZ) air bridge concept by air transporting 7 passengers from OES and 1 CANG logistics planner on 13 May 2014 from Mather to the State Staging Area (SA) in Redding, to one POD in Del Norte and one POD in Humboldt, to the Redding State SA, and return to Mather. Passengers will discuss actions at the Redding SA and at each OA POD while they are at each location. The air bridge is a critical component to CSZ response and recovery. It is imperative this concept is tested to ensure response teams can be successfully transported into the effected region and the affected Operational Areas' are able to receive aircraft at designated PODs

UPCOMING EVENTS, TRAINING, EXERCISES

Diablo Canyon Power Plant, Rehearsal / Full Scale Exercise

Diablo Canyon Power Plant in San Luis Obispo will be hosting two full scale Hostile Action Based exercises this Spring. A FEMA evaluated exercise will held on May 21, 2014. This is part of the required biennial demonstration of our ability to protect the public from a radiological incident at the nuclear power plant.

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
